Title	Pickup date is confusing
Description	Not quite clear if the screenshots provided are displaying the whole flow or not.
Expected Result	<p>If the user has chosen 09/07/2023 - then there's no issue. If user sees 09/07/2023 when they open the popup:</p> <ol style="list-style-type: none"> <li>1. Date is incorrect - it should show 07/07/2023</li> <li>2. If there's no option to pick a car on 07/07 and 08/08, then the label should say "Earliest pickup date". It's confusing for me why I see 09/07/2023</li> </ol> 
Severity	
Device	IOS 16, Safari v16.5

## Scenario 2

### Use Case

1. Navigate to the search page;
2. Filter vehicles by vehicle type –EQB;
3. Observe the results

### Technical details

- iPad Pro 12”
- Chrome v114.0.5735.198
- Market: Australia
- Date: 07/07/2023
